Putjade Appaloosa Octavia - Appaloosa AND male cria Appaloosa Nimbus

Pregnant Female with male cria at foot

UKBAS37802 DOB - 01 June 2020

Sire - Popham Appaloosa Connaught | Dam - Alandale Appaloosa Ondine

Pregnant to Fancy That Appaloosa Cosmic Warrior

Price for Octavia and Nimbus - £2500 + vat

Octavia is a stunning female with beautiful Appaloosa markings and an impressive frame. She carries Appaloosa genetics on both sides of her pedigree, and both of her parents have consistently produced Appaloosa cria, giving her an excellent chance of passing on these striking colour traits. She has certainly lived up to that promise this year with her exceptional male cria, Nimbus.

Nimbus is simply beautiful, with a soft, pure white fleece covered in an abundance of spots. With Appaloosa genetics on both sides of his pedigree, he has every prospect of developing into a stud male capable of consistently producing outstanding Appaloosa offspring. He is also developing a lovely friendly personality.

Octavia is a lovely-natured girl who came to me from another farm; she is now eagerly coming up to take food from your hand. But she still needs more work with her handling, so she would benefit from a home willing to continue her gentle training and build her confidence, teaching her that being handled is a positive experience.

She would be a tremendous addition to any Appaloosa breeding programme or to anyone wishing to introduce spectacular colour and pattern into their herd.

Octavia is mated to my really beautiful stud, Fancy That Appaloosa Cosmic Warrior.

Cosmic Warrior is an exceptional Appaloosa Young Stud Male. He has a wonderful fleece thanks to his multi-champion Sire, Telstar and the fantastic Leopard Appaloosa colouring from his Dam. His fleece is highly organised, with length, fineness and uniformity. Warrior is a beautiful boy and he has such a sweet nature, he is incredibly easy-going, gentle and super easy to handle. Fleece: (1st) Ultra fine - 14.6 micron SD 3.5

Mated to Fancy That Appaloosa Cosmic Warrior

Chinchero Milly - Multi -Beige/Light Brown **AND Pendragon** (Fancy, Dark brown/white)

Pregnant Female (can be mated to Epoch Beau) with Male cria at foot.

UKBAS34844 | DOB - 26/08/2018

Sire - Furze Park Fury | Dam - Furze Park Tilly

Pregnant to Fancy That Appaloosa Cosmic Warrior

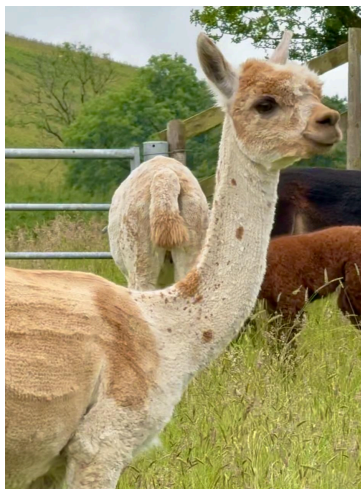

Price for Millie and her cria Pendragon - £2500 + vat

Milly has been such a huge asset to our herd, she reliably produces stunning Fancy or Appaloosa cria, with beautiful fine and dense fleece. This year is no exception, Pendragon is so striking, he is a glorious colour, on a beautiful strong square frame, he is already covered in glorious curls and is looking extremely promising to be a fantastic stud one day.

Millie is a very easy girl and is a fantastic mum to her beautiful cria, she is mated this year to our wonderfully spotty Stud, Fancy That Appaloosa Cosmic Warrior

Cosmic Warrior is an exceptional Appaloosa Young Stud Male. He has a wonderful fleece thanks to his multi-champion Sire, Telstar and the fantastic Leopard Appaloosa colouring from his Dam. His fleece is highly organised, with length, fineness and uniformity. Warrior is a beautiful boy and he has such a sweet nature, he is incredibly easy-going, gentle and super easy to handle.

Hilly Ridge Kinda Surprise (Dark Brown/White) **AND female cria Ravenna** (Bay black)

Pregnant Female with female cria at foot

UKBAS42503 DOB -19/04/2022

Sire - Churchfield Bedrock - Mid Rose Grey | Alpaca Stud Lanson's Cosmos - Dark Brown

Pregnant to Fancy That Polaris

Price for both Kinda and Ravenna - £1700 + vat

Kinda is a stunning young multi-female, very striking, with a very fine fleece (her dam's fleece was still micron 18 when she was 8 years old). She has excellent conformation from her Multi-Champion Grey Sire and a very interesting mix of coloured genetics. Her Dam just produced a stunning, Dark Brown and White Cria.

She is a really fantastic mum to her cria, has very good conformation and she is strong and healthy.

Her cria this year, is a beautiful dark bay black with the lovely grey eyes like her mum, her Sire is an appaloosa, so maybe that will come through in the future.

This year, she is mated to Fancy That Polaris, with her dark colouring and her grey background, we think she will produce a beautiful cria next year .

Polaris is a very attractive young male, with a very fine fleece with excellent coverage. He is such a gorgeous mid rose grey colour and is my husband's favourite prospective stud. I was super excited to breed from him, he has so much going for him as a stud, but I have to allow someone else to do it now.

He has the lovely square and strong frame of his sire and has taken many traits from his grandfather the outstanding grey stud Houghton Noah II. Polaris has been genetically tested as EE aa Classic Grey, so he has the ideal genetics for producing grey offspring.

Fancy That Madeira (Mid Fawn /White) **AND male Cria Raphael** (Beige)

Pregnant female with male cria at foot UKBAS44378 DOB -23/05/2023

Sire - Popham Commander - Light Brown | Dam - Popham Chocolate Trifle - Multi - Mid fawn/White

Pregnant to Epoch Boldly Beau

Price for both Madeira and Raphael - £2300 + vat

Madeira really is a very special girl. She has a fantastic pedigree, with generations of top prize winners on both sides, and this quality is reflected in her superb fleece and excellent conformation. She is also a genuinely lovely girl: gentle, calm and easy to handle.

She has had her first cria this year and has proved to be an exceptional mum. She is patient and wonderfully attentive with her cria, who is gaining weight fantastically well, so she is clearly producing oodles of milk. Madeira herself is a very healthy, robust female who holds her condition extremely well, even while feeding a rapidly growing cria.

Raphael is a very beautiful boy who already has fantastic presence, and his fleece looks extremely promising. His sire is Natterjack Disney, a wonderful prize-winning multi-coloured herd sire, so Raphael carries exciting colour genetics and, if used for breeding in the future, could potentially produce cria across a wide range of colours. He is a very exciting young male with a bright and promising future ahead of him.

This year, Madeira will be mated to Fancy That Cosmic Warrior : Cosmic Warrior is an exceptional Appaloosa Young Stud Male. He has a wonderful fleece thanks to his multi-champion Sire, Telstar and the fantastic Leopard Appaloosa colouring from his Dam. His fleece is highly organised, with length, fineness and uniformity. Warrior is a beautiful boy and he has such a sweet nature, he is incredibly easy-going, gentle and super easy to handle.

Mated to Epoch Appaloosa Cosmic Warrior

Usk Valley Kefalonia - Solid Dark Fawn AND male cria at foot Fancy That Ziggy

Pregnant Female with male cria at foot

UKBAS44580

DOB - 13/07/2023

Sire - Fowberry Shogun | Dam - Usk Valley Fifi (multi Coloured - White and Black)

Pregnant to Fancy That Appaloosa Cosmic Warrior

Price for Keffalonia and Ziggy - £1900 + vat

Keffalonia has the fantastic dense and uniform fleece of her brown Champion Sire, Fowberry Shogun, and hopefully the patterned genetics from her multi-coloured Dam. Under all her fleece Keffalonia has a number of dark spots, making her a lovely addition to a spotty breeding program. She stands on a lovely square frame, with a beautiful head type and fantastic fleece coverage.

Her cria this year, the gorgeous Ziggy, is just adorable and already showing her wonderful fleece characteristics. He has a lovely square frame and the most lovely head type.

Keffalonia is a great character, very friendly and confident. She is well halter-trained and easy to handle. We really hope that mated to the Appaloosa Cosmic Warrior, her cria next year will have her fabulous fleece and his stunning markings.

Tilley Roxanne - Multi Black/White

Pregnant Female

UKBAS37840

DOB - 29 Aug 2019

Sire - Sherwood Phantom/Grey | Dam - M&M Jessie J /Multi Black and White

Pregnant to Epoch Boldly Beau

Price - £900 + vat

Roxanne is a truly striking girl with exceptional colour that is clearly inherited. The photograph below, showing Roxanne alongside her black-and-white dam and sister, highlights the distinctive family traits that we hope she will continue to pass on to her offspring.

She is a sweet-natured, easy-going girl and proved herself to be a wonderful mother to her first cria. Being one of our smaller females, we waited until she was a little older before breeding from her. She mates beautifully, settles quickly, and conceives with ease. As she naturally carries a little less condition than some of our other females, we feel that breeding her every other year is the best approach for her long-term health and welfare and this is reflected in her very low price.

We will be very sorry to see Roxanne leave, as we are incredibly excited about the potential of her future cria. With colour genetics from both her grey sire and her dam, she has the ability to produce a wonderful variety of beautifully coloured offspring. We also believe that future matings to quality grey males could produce particularly exciting results.

Roxanne is currently mated to our stunning Epoch Boldly Beau, a male admired for his exceptional fleece quality, and beautiful colouring. This pairing brings together outstanding colour genetics, excellent fleece characteristics, and lovely temperaments, and we look forward to seeing the results for her new owners.

Roxanne with her mum and sister

Roxanne is mated to Epoch Boldy Beau

Summerhaze Essence - Solid Mid Fawn - (Available when her cria is weaned).

Pregnant Female

UKBAS37170

DOB - 07/09/2019

Sire - Popham Appaloosa Mardi Gras | Dam - Childerley Flame

Pregnant to Natterjack Disney

Price - £1700 + vat

Essence has produced some of our most stunning cria. She is still young, so has only had three. They have all been gorgeous multi coloured cria, who have also had fantastic dense fleece with great staple length. They have been big and strong with excellent square conformation. We are retaining her female cria, Dreamfyre (photo below) We cant bear to part with her first beautiful girl, who is exceptionally sweet natured as well. So she will need to be weaned before Essence can go. Essence is mated to our beautiful multi boy Epoch Boldly Beau, who will add layers of fleece quality and colour to the offspring of this mating.

Essence is a good solid square- square-framed girl, she is very easy to manage and has been fabulous with her cria.

Mated to Epoch Boldly Beau

Popham Truffles - Multi White/Dark Fawn

Retired Female

UKBAS34919

DOB - 03/10/2018

Sire - Popham Havengore | Dam - Popham Dancha

Price - £650 + vat

Description:

Truffles is another of our wonderful females we are releasing. She is a fawn/white tuxedo with a very fine uniform and dense fleece. Her sire is Popham Havengore the 2015 BAS Nationals Supreme huacaya and her dam is Popham Dancha, who is herself a fawn Supreme champion.

I have not been able to get Truffle pregnant for the last few years, which is a huge shame as she has had 2 stunning cria with her markings and fabulous fibre traits. I am keeping her most recent cria here as a stud male. I don't know if she is able to get pregnant now, so she is priced way below her actual value. She has had initial treatment, which has not yet worked, but she has not yet had a full examination and workup by an alpaca-specific vet.

Prizes Won:

2nd place Huacaya Multi Devon County 2019

Fleece: (4th)

20.80µ SD 4.10µ CV 19.70% SF 20.00µ Curvature 40.10 deg/mm

(taken on 9th May 2022 at 3 Years and 9 Months of age)

STUD MALES

Fancy That Appaloosa Cosmic Warrior - Appaloosa/Light Brown

Stud Male

UKBAS49183 DOB - 02 July 2024

Sire - Furze Park Peruvian Telstar - (white) | Dam - Prince Bishop Leopard Appy Polka Dotty (Leopard Appaloosa)

Price - £2550 + vat

Cosmic Warrior is an exceptional Appaloosa Young Stud Male. He has a wonderful fleece thanks to his multi-champion Sire, Telstar and the fantastic Leopard Appaloosa colouring from his Dam. His fleece is highly organised, with length, fineness and uniformity.

Warrior stands on a square frame, with a lovely head type and good conformation.

Warrior is a beautiful boy and he has such a sweet nature, he is incredibly easy-going, gentle and super easy to handle. He is a natural breeder and is now mating fantastically, despite only being 2 yrs. He has a very promising future ahead of him.

We are very excited to see what this stunning boy can produce as part of an Appaloosa breeding program.

Fancy That Polaris - Mid Rose Grey

Stud Male

UKBAS47022

DOB - 11/07/2023

Sire - Palton Kingsman (Silver Grey) | Dam - Summerhaze Savanna (Mid Grey)

Price - £1500 + vat

Polaris is a very attractive grey young male, with a very fine fleece with excellent coverage. He is such a gorgeous mid rose grey colour and is my husband's favourite prospective stud. He has excellent conformation, a good substance of bone and a beautiful head type, typical of the houghton line.

He has the lovely square and strong frame of his sire with his excellent staple length and has taken many traits from his grandfather the outstanding grey stud Houghton Noah II.

Polaris has been genetically tested as EE aa Classic Grey, meaning he has a black base to his fleece, this ensures that the grey colour fully manifests, so he has the ideal genetics for producing grey offspring.

Epoch Boldly Beau - Fancy | Dark Fawn / White

Stud Male

UKBAS47019

DOB - 13 July 2022

Sire - Popham Churchill (Light brown) | Dam - Popham Truffles (white /dark brown)

Price - £1800 + vat

Beau's defining attribute is his truly exceptional fleece. Numerous experienced breeders and judges have commented on its outstanding quality throughout his development. As a youngster, he won the Best Newcomer Trophy in the highly competitive Fawn Fleece 6–12 Months class at the Eastern Region Fleece Show, an especially impressive achievement given that he is a multi-coloured fawn and white. More recently, breeders with multiple championship-winning alpacas have remarked that his fleece stands alongside some of the very best fawn fleeces in the country—remarkable for any alpaca, let alone a multi.

He has matured into a strong, well-grown male with excellent conformation and plenty of substance of bone. His fleece displays exceptional uniformity, clearly demonstrated by the samples taken from across his blanket during fleece judging, which showed impressive consistency throughout.

Beau's pedigree is equally impressive. His sire is a well-known multi-champion brown male who has produced numerous champion offspring. His dam also possesses an outstanding fleece, combining excellent density with exceptional uniformity. Her sire, Popham Havengore, is one of the most highly decorated stud males in the UK and is renowned for consistently passing on his elite fleece characteristics.

Beau came to us as a cria from a dispersal herd and had previously suffered from mite damage, which left some hair loss on his ears and a few small bald patches beneath his abdomen. These areas continue to improve each year, but they are the reason he is offered at such an attractive price despite his exceptional genetic potential.

Temperament is another of Beau's greatest strengths. He is one of the sweetest-natured males we have ever owned, standing quietly for handling and routine husbandry, making him an absolute pleasure to work with.

He is now proving himself as a working stud, mating confidently and successfully, with his first females already spitting off.

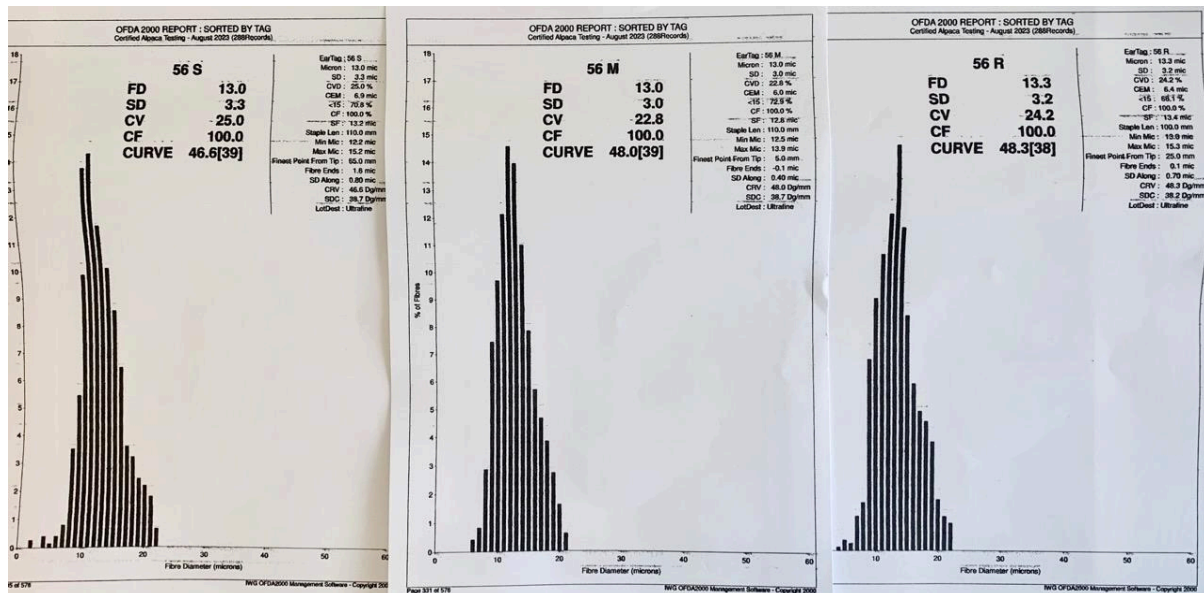

Fleece: (1st) Ultra fine - 13.3 micron SD 3.3
